<input type="checkbox"/> New dwelling/extension	
<input type="checkbox"/> Multi-unit development	
<input type="checkbox"/> Landscaping	
<input type="checkbox"/> Swimming pool/tennis courts/garage	
<input type="checkbox"/> Other reasons (<i>please specify</i>)	

6. APPLICATION REQUIREMENTS

If your application is made on the basis of the following, please provide this information to enable proper consideration to be given to your application. If you do not provide the information or provide sufficient detail, Council will request you provide the information before the application is considered. This will delay processing of your application.

Damage to property/drains	<p>Evidence of damage, such as:</p> <ul style="list-style-type: none"> • Closed circuit television footage of damage to underground pipes, collected by a suitably qualified person such as a licenced plumber. • A report from a suitably qualified and experienced structural engineer, detailing the extent of damage, the likely cause of the damage and detailing the range of options available in repairing the damage. <p>Details of steps already taken to rectify the damage, if applicable.</p>
Construction of a new dwelling or extension to a dwelling	A full set of fully-dimensioned plans of the proposed works, drawn in relation to title boundaries and showing the location of the subject tree and the extent of its TPZ having regard to the relevant Australian Standard.
Works within 2 metres of canopy tree or within the tree protection zone of a significant tree	Plans detailing the proposed works requiring a permit, including details of excavation, fill, construction techniques and building materials.

Please note that regardless of the above, Council reserves the right to request further information under Clause 11(3) if the circumstances of your application so require.

7. PLAN OF PROPERTY

Sketch layout of the site indicating the following:

- a) location of trees proposed for removal/pruning
- b) location of trees and proximity of proposed works
- c) location of replacement trees
- d) key features including road, house, garage, driveway etc.

Legend

 Tree(s) for removal/pruning/
