

TREE WORK PERMIT - INFORMATION

A permit is required to remove or prune all 'Significant Trees' within the City of Stonnington

When is a Tree Work Permit required?

A Significant Tree Work Permit must be obtained before a person removes, prunes, damages, kills or destroys a Significant Tree (including its roots) under the *City of Stonnington General Local Law 2008 (No. 1)*. A Significant Tree is any tree listed in Council's 'Significant Tree Register' or is a tree:

- with a trunk circumference of 180 centimetres or greater measured at its base
- with a total circumference of all its trunks of 180 centimetres or greater measured at its base
- with a trunk circumference of 140 centimetres or greater measured at 1.5 metres above its base
- with a total circumference of all its trunks of 140 centimetres or greater measured at 1.5 metres above its base.

Applying for a Tree Work Permit

If you are the tree owner, an Owners Corporation Manager or a company director you can apply to prune or remove a Significant Tree. If the Significant Tree is located on a neighbouring property and overhanging into your property, you can apply for a permit to prune the tree.

Applications may be lodged in person at Stonnington Service Centres or by post to PO Box 21, Prahran 3181. If mailing the application form please include the completed application form, the supporting documentation and a cheque made payable to 'City of Stonnington'.

Supporting documentation required:

Upon receipt of your Tree Work Permit application, an external arboricultural consultant will arrange to inspect the tree(s). If required, the arboricultural consultant will contact you, or your representative, to arrange an appointment. Based on the findings of this inspection you will either:

- Receive the permit(s) in the mail or via email; or,
- If your application is rejected, you will receive a letter outlining the decision.

The process will generally take fifteen working days to complete from receipt of application depending on the availability of the external arboricultural consultant. Please ensure that all details are correct, all required documentation is supplied and the application fee is paid. Note the process may be delayed if sufficient information is not provided as part of the application as outlined above.

TREE WORK PERMIT - INFORMATION

A permit is required to remove or prune all 'Significant Trees' within the City of Stonnington

When is a Tree Work Permit not required?

A Tree Work Permit is required to remove any Significant Tree within the City of Stonnington except where the tree is located:

- within a Significant Landscape Overlay area, such as the **HEDGELEY DENE PRECINCT** (see below) and on properties which abut the Yarra River. A Planning Permit is required to remove these trees.
- on a site where trees have been assessed and approved for removal by Council as part of a **PLANNING APPLICATION**. Trees shown as removed on Endorsed Plans that form part of an active Planning Permit do not also require a Tree Work Permit to remove.

Hedgeley Dene Precinct

A planning permit is required to remove, destroy or prune trees within the **Hedgeley Dene Precinct**. This does not apply:

- To a tree that is less than 5 metres in height or has a trunk circumference of less than 0.5 metre measured 1 metre above ground level.
- To any action which is necessary to keep the whole or any part of a tree clear of an electric line provided the action is carried out in accordance with a code of practice prepared under Section 86 of the Electricity Safety Act 1998.
- If the tree presents an immediate risk of personal injury or damage to property.
- If the removal, destruction or lopping of the tree is necessary for emergency access and emergency works by a public authority or municipal council.

If your address is one of the following please complete a Planning Application Form, which can be obtained via Council's website, in person at one of our Service Centres or by phoning Council's Planning Unit on 8290 3329.
